JAMA: The Journal of the  
American Medical Association

As the world's most widely read medical journal, *JAMA* provides readers with clinically significant developments, 48 times a year, in more than 45 key medical specialties.

The leader in medical publishing for more than 120 years, *JAMA* accepts only original contributions that are rigorously peer-reviewed — in fact, fewer than 1 in 10 submissions reach print. With an editorial board of world-renowned physicians and an international advisory board, *JAMA* will keep readers at the forefront of medicine.
